Terms of Contract

The fee for stud service is \$2,500.00. Stud fee is due before semen is shipped, or prior to mating. Stud fee may be paid by Venmo (Kelly-Sisco-4), bank transfer, Zelle (ksisco78@gmail.com) or check (made payable to Kelly Sisco). If paying by check, please allow sufficient time for check to clear through bank prior to the shipping/breeding date. A 3% charge will be incurred to all credit card payments.

Bitch owner agrees to

For Bitches coming to SMG location for breeding:

- Supply food for female
- Supply vaccination record
- Supply current negative Brucellosis test (within 6 months of breeding)
- Pay for any progesterone testing that is needed to the vet clinic doing the testing, Owner will be contacted for permission before any testing is done and Owner will contact vet clinic to make prompt payment.
- Pay \$10 per day for board.
- Send female in good health, free of intestinal/external parasites including, but not limited to, fleas, ticks, worms.
- Notify SMG when female is confirmed either pregnant or not, within 68 days of mating.
- Keep the female properly confined following the breeding to ensure no other dog could mate her accidentally before mating season is finished.
- That no puppies resulting from the above stud service may be sold to pet shops, puppy franchises, dealers, raffled or supplied as give away prizes or similar projects. The penalty for the breach of above is \$3,000.00 per animal involved, payable upon demand.
- Not post litter photos or litter advertisements to the Show Me Goldens Facebook page.
- Obtain permission prior to using any images belonging to SMG for any purposes.
- Bitch owner guarantees that female is crate trained and potty trained. Since our dogs live in our house, and the bitch will be in our house the entire time they are in our care, this is non-negotiable.

For shipped semen:

- **Shipping is \$350.00 (cooled semen).** The shipping box DOES NOT need to be returned. This fee must be paid prior to shipment. The shipment includes one vial of semen suitable for one breeding. **We are happy to do multiple shipments if you wish; they are \$350 each.**
- Notify SMG when female is confirmed either pregnant or not, within 68 days of mating.
- Keep the female properly confined following the breeding to ensure no other dog could mate her accidentally before mating season is finished.
- Pay for all fees incurred for the collection, processing and shipping of semen by SMG. A 48 hour notice is needed to ship semen.
- Not post litter photos or litter advertisements to the Show Me Goldens Facebook page.
- Obtain permission prior to using any images belonging to SMG for any purposes.
- That no puppies resulting from the above stud service may be sold to pet shops, puppy franchises, dealers, raffled or supplied as give away prizes or similar projects. The penalty for the breach of above is \$3,000.00 per animal involved, payable upon demand.

Further, the bitch owner attests that bitch is healthy, of sound and stable temperament, is of breeding quality and has completed and passed clearances to include hip, elbow, eye and heart. Bitch owner agrees that puppies sold will be placed with limited registration only. Puppies kept by bitch owner and registered in bitch owner's name(s) solely may be kept with full registration. The penalty for the breach of above is \$3,000.00 per animal involved, payable upon demand.

SMG agrees to:

- Take all reasonable care to provide a safe environment for females coming to breed, but is not responsible for accidents or injury to females that are incurred because female will not stay in

provided area, or has behavioral problems resulting in harm to herself. If an unsafe situation arises, SMG will send female home.

- Have stud dog in good physical condition and ensure he has viable semen for breeding purposes.
- Will confirm litter registration through AKC promptly after receiving notification.
- A litter will consist of the live birth of three or more puppies that nurse and survive for 14 days. In the event that this pairing does not produce three or more puppies that thrive, a repeat breeding will be provided at no cost. This does not include shipping fees if applicable.
- Will provide written record and receipts of breeding dates (if done by SMG) and fees.
- Will offer pregnancy confirmation by ultrasound 28 days post mating for a fee of \$40. This will confirm pregnancy only and not diagnose any problems or guarantee any specific number of puppies.
